The Military Technical Institute, the first and the largest military scientific-research institution in Serbia, traditionally organizes the OTEH scientific conference devoted to defensive technologies.

### MIOMIR VUKOBRATOVIĆ

**1931 - 2012**

Miomir Vukobratović was a Serbian mechanical engineer and pioneer in humanoid robots. He is one of the founders of “Belgrade School of Robotics”. He was a regular member of the Serbian Academy of Sciences and Arts since 1994.

### LOCATION

The area of Tara was declared as the National Park on July 13, 1981. It is located in the west part of Serbia, occupying the area bounded by the river Drina, between Višegrad and Bajina Bašta.
